FOR IMMEDIATE RELEASE

Marlow Explorer 70E MK II

Snead Island, Florida – September 7, 2022 (Marlow Yachts Limited, Inc.)

Our Marlow Explorer 70E MKII Hull #226 recently arrived in the USA from our own purpose built environmentally green manufacturing facility in the Garden City of Xiamen, China to Florida and will be displayed at the 2022 Ft. Lauderdale Boat Show in October.

Since 2002 the immensely popular 70E model has led the industry in fast offshore and long-distance cruisers. The second generation 70E MKII model holds steadfast to Marlow's standard of excellence and features many new upgrades throughout the vessel from styling to engineering while remaining true to timeless looks of Marlow Yachts.

This commodious three stateroom plus crew yacht features a Master Stateroom with a king size bed and his and hers heads. The crew quarters do not lack in size, comfort, and superb artistry in manufacturing. Top of the line amenities make your Captain and crew or additional guests feel right at home. The custom Command Bridge layout includes office space which contains a navigation desk, and plush seating located behind the seating area on starboard side and day head.

The country kitchen on this Marlow Explorer 70E MKII is as large as many luxury homes, with a panoramic view for the chef and lucky guests, while serving as a preparation center for delectable meals. A conventional oven, cook top, dishwasher, and Sub-Zero fridge and freezers make any meal a breeze to cook and clean up. Joined by the luxurious dining lounge for eight, providing an exceptional atmosphere to create lifelong memories with family and friends.
