FOR IMMEDIATE RELEASE

Marlow Explorer 88E

Snead Island, Florida – September 21, 2015 (Marlow Yachts Limited, Inc.)

The number 88 in the Oriental culture is considered the luckiest of all numbers. Our newest model, the Marlow Explorer 88E, Hull #1, will make her debut at the Ft. Lauderdale Boat Show this November. Words are simply inadequate to describe this powerful, beautiful and elegant new yacht from Marlow.

The expansive and open fly bridge allows for a 360° panoramic view with built in settees, a custom bar with six bar stools, sunpad and a built in electric barbeque which are a mariner's delight for entertaining and relaxing. The cockpit features a center settee between twin boarding doors. The built in baitwell is ready for any fishing excursion and the day head provides convenience for all aboard.

The interior is simply stunning and very expansive in every room, offering the usable volume normally seen in 100' yachts. Featuring four staterooms with crew quarters with exquisite book matching grain of teak throughout, it is another outstanding example of *Building Simply the Best!*

Featuring a private entrance to the exceptional master stateroom with a main deck office area to conduct ships or private business, the new 88 is breathtaking inside and out.

Marlow Explorers are built at our own environmentally green factory in Xiamen, China. Rigorous quality controls are performed to assure all performance, seaworthiness, and value is to the highest Marlow Standards. Due to the extensive and ongoing development work on the underwater and superstructure drag reduction, speed expectations are in the 30 knot range with moderate loads and C-32 Caterpillars.

Offering unusual capacities in fuel, water, gray and black water tankage this new edition from Marlow is sure to become an instant classic as all of her siblings have over the years.

FOR IMMEDIATE RELEASE

Marlow Explorer 88E

Snead Island, Florida – September 21, 2015 (Marlow Yachts Limited, Inc.)

It is often said that Marlow finishes its bilges better than many builders do their accommodations spaces. We make no argument with those statements as it is our credo to build *Simply the Best*.

If your tastes run to a yacht capable of going virtually anywhere faster than anyone else with similar styled yachts, in a warm and surrounding elegance most thought lost on even fine yachts, you owe it to yourself to see why so many have chosen Marlow to build their dream.

For the experience of a lifetime, may we build one for you?

Come see us at the Bahia Mar, Dock BC, at the south end of the show.
