

MARLOW YACHTS

This season, discover the yacht redefining how families live and experience life on the water together. The new Marlow Avalon 65A blends salon, aft deck, and galley into one seamless indoor-outdoor living space, centered around the flexible-use Marlow Atrium that fills the interior with natural light and open air when desired. A huge lazarette garage provides ample room for water toys, provisions, and crew, delivering effortless family adventure. Ultra-quiet, efficient, and beautifully finished, this is tomorrow's family cruising lifestyle perfected. marlowyachts.com 🐾

MarlowAvalon

Marlow**Avalon** 65A

Once again, the inspired minds at Marlow have created a new masterpiece, the Marlow Avalon 65A. Built to the same exacting standards as the Explorer and Voyager series of yachts, the Avalon exudes style and performance with refined luxury.

Her spacious 19' beam allows her salon and galley to join in an open floorplan designed for intimate times with family and friends. The stunning combination of breathtaking woodwork and granite countertops completes the elegant interior space. The owner's ensuite midship cabin is as spacious as it is luxuriously appointed.

The engine room is a full-height engineering marvel, with easy routine maintenance access both labelled and organized. Powered by twin MAN 1200hp engines she can go where you want, from a leisurely 8 knot cruise to 25+ knot urgency. Her spacious beach club and tender garage is the perfect size for organized storage for all your toys.

The Marlow Avalon 65A is a marvel of sophistication and engineering. Designed for the discerning yachtsman she is in a word... Perfect.
